

**American Institute of Chemical Engineers  
Mid-Michigan Section**

Cordially invites you to its October 2008 dinner meeting with our honored guest speaker, **Professor H. Scott Fogler of University of Michigan**, entitled:

**Creative Problem Solving for Chemical Engineers  
Tuesday, October 7, 2008**

Professor Fogler, who is AIChE's President-Elect for 2008–2009 and the Vennema Professor of Chemical Engineering at the University of Michigan, will speak about techniques in problem solving, specifically drawing from a new course he developed at University of Michigan entitled *Strategies for Creative Problem Solving*. He will also speak about AIChE's Strategic Plan and would greatly appreciate hearing our section's perspective on the needs of practicing engineers in the U.S. chemical industry.

**Date:** Tuesday, October 7, 2008

**Time:** 6:00 p.m.–9:00 p.m.  
Cash Bar Mixer: 6:00 p.m.–6:30 p.m.
